

HINDUSTAN

INSTITUTE OF TECHNOLOGY & SCIENCE
(DEEMED TO BE UNIVERSITY)

SCHOOL OF ALLIED HEALTH SCIENCES

B.Sc Dialysis Technology Program

PROGRAM DURATION: 3 YEARS EXPERIENTIAL LEARNING + 1 YEAR INTERNSHIP (FULL TIME)

Explore Dialysis Technology through our collaborated program with IMAX

Key Features:

Comprehensive Curriculum: Our curriculum covers a wide range of topics including renal anatomy and physiology, principles of dialysis, hemodialysis techniques, peritoneal dialysis, vascular access management, and patient care, providing you with a thorough understanding of dialysis technology.

Hands-on Training: Benefit from extensive practical training in operating dialysis machines, preparing dialysate solutions, monitoring patients during dialysis sessions, managing vascular access, and providing holistic care to patients with kidney failure.

Clinical Experience: Gain real-world experience through a one-year internship at IMAX Hospital, where you'll work alongside experienced dialysis technologists and healthcare professionals, applying your skills in dialysis procedures and patient management.

Expert Faculty: Learn from experienced faculty members who are leaders in the field of Dialysis Technology, ensuring a high-quality education that meets industry standards

Career Opportunities: Upon graduation, you'll be prepared for various career paths including Dialysis Technologist, Renal Dialysis Technician, Hemodialysis Nurse, Clinical Dialysis Specialist, and other positions in hospitals, dialysis centers, transplant units, and research institutions.

Admissions Open for 2024-25!

Secure your spot in our BSc Dialysis Technology program. Join the next generation of healthcare professionals. Enroll today!
